2025 Educational Conference & Product Showcase

November 6, 2024

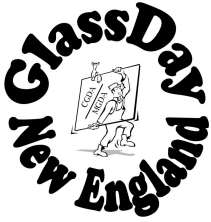

It may be hard to believe, but GlassDay New England is only a few short months away. Here at the Connecticut Glass Dealers Association and Massachusetts Glass Dealers Association, we are very excited for our upcoming show and would like to take this opportunity to invite you to exhibit at the 2025 GlassDay New England on Friday, March 28, 2025, at MOHEGAN SUN CASINO!! This year marks our 13th show and we truly think we have planned the best show yet!

CGDA and MGDA have been hard at work since our last show in an attempt make our 2025 event even bigger and better than years past. Being the only event of this type in New England in 2025, we are expanding our reach to invite all glass dealers from around our region - and the country - and we are expecting more exhibitors and attendees than ever before. We hope that you will decide today to join us in what we believe will be an extraordinary event and we look forward to helping you and your company reach existing and prospective customers at our new and improved GlassDay New England.
